

Certificate III in ESL Employment: English for Bilingual Health and Community Services Work

Do you want to learn about the health and community services sector in Victoria?

Do you want to use your bilingual skills?

This course comprises the Certificate III in ESL Employment (21935VIC), an accredited intermediate English language course that will help you to develop your English language skills, and the Certificate II in Community Services Work (CHC20108) which will give you skills and knowledge relevant to further study or work in the health and community services sector.

The course includes work placement in a health or community organisation (subject to successful completion of pre-requisites).

On successful completion of this course, students may undertake further study or apply for entry level employment as bilingual workers in the Health and Community Services sector.

Course content

- English language study at intermediate level
- introduction to the health and community services sector in Victoria
- workplace skills relevant to the health and community sector
